(b) (6)

The first two steps are the most important. The first step is to identify the problem. The second step is to define the problem. The third step is to identify the causes of the problem. The fourth step is to identify the effects of the problem. The fifth step is to identify the stakeholders involved in the problem. The sixth step is to identify the resources available to solve the problem. The seventh step is to identify the constraints on the problem. The eighth step is to identify the risks associated with the problem. The ninth step is to identify the opportunities associated with the problem. The tenth step is to identify the solutions to the problem. The eleventh step is to implement the solutions. The twelfth step is to evaluate the results of the solutions. The thirteenth step is to monitor the results of the solutions. The fourteenth step is to report the results of the solutions. The fifteenth step is to communicate the results of the solutions. The sixteenth step is to document the results of the solutions. The seventeenth step is to archive the results of the solutions. The eighteenth step is to delete the results of the solutions. The nineteenth step is to restore the results of the solutions. The twentieth step is to backup the results of the solutions. The twenty-first step is to recover the results of the solutions. The twenty-second step is to restore the results of the solutions. The twenty-third step is to delete the results of the solutions. The twenty-fourth step is to archive the results of the solutions. The twenty-fifth step is to delete the results of the solutions. The twenty-sixth step is to archive the results of the solutions. The twenty-seventh step is to delete the results of the solutions. The twenty-eighth step is to archive the results of the solutions. The twenty-ninth step is to delete the results of the solutions. The thirtieth step is to archive the results of the solutions. The thirty-first step is to delete the results of the solutions. The thirty-second step is to archive the results of the solutions. The thirty-third step is to delete the results of the solutions. The thirty-fourth step is to archive the results of the solutions. The thirty-fifth step is to delete the results of the solutions. The thirty-sixth step is to archive the results of the solutions. The thirty-seventh step is to delete the results of the solutions. The thirty-eighth step is to archive the results of the solutions. The thirty-ninth step is to delete the results of the solutions. The fortieth step is to archive the results of the solutions. The forty-first step is to delete the results of the solutions. The forty-second step is to archive the results of the solutions. The forty-third step is to delete the results of the solutions. The forty-fourth step is to archive the results of the solutions. The forty-fifth step is to delete the results of the solutions. The forty-sixth step is to archive the results of the solutions. The forty-seventh step is to delete the results of the solutions. The forty-eighth step is to archive the results of the solutions. The forty-ninth step is to delete the results of the solutions. The fiftieth step is to archive the results of the solutions. The fifty-first step is to delete the results of the solutions. The fifty-second step is to archive the results of the solutions. The fifty-third step is to delete the results of the solutions. The fifty-fourth step is to archive the results of the solutions. The fifty-fifth step is to delete the results of the solutions. The fifty-sixth step is to archive the results of the solutions. The fifty-seventh step is to delete the results of the solutions. The fifty-eighth step is to archive the results of the solutions. The fifty-ninth step is to delete the results of the solutions. The sixtieth step is to archive the results of the solutions. The sixty-first step is to delete the results of the solutions. The sixty-second step is to archive the results of the solutions. The sixty-third step is to delete the results of the solutions. The sixty-fourth step is to archive the results of the solutions. The sixty-fifth step is to delete the results of the solutions. The sixty-sixth step is to archive the results of the solutions. The sixty-seventh step is to delete the results of the solutions. The sixty-eighth step is to archive the results of the solutions. The sixty-ninth step is to delete the results of the solutions. The seventieth step is to archive the results of the solutions. The seventy-first step is to delete the results of the solutions. The seventy-second step is to archive the results of the solutions. The seventy-third step is to delete the results of the solutions. The seventy-fourth step is to archive the results of the solutions. The seventy-fifth step is to delete the results of the solutions. The seventy-sixth step is to archive the results of the solutions. The seventy-seventh step is to delete the results of the solutions. The seventy-eighth step is to archive the results of the solutions. The seventy-ninth step is to delete the results of the solutions. The eightieth step is to archive the results of the solutions. The eighty-first step is to delete the results of the solutions. The eighty-second step is to archive the results of the solutions. The eighty-third step is to delete the results of the solutions. The eighty-fourth step is to archive the results of the solutions. The eighty-fifth step is to delete the results of the solutions. The eighty-sixth step is to archive the results of the solutions. The eighty-seventh step is to delete the results of the solutions. The eighty-eighth step is to archive the results of the solutions. The eighty-ninth step is to delete the results of the solutions. The ninetieth step is to archive the results of the solutions. The ninety-first step is to delete the results of the solutions. The ninety-second step is to archive the results of the solutions. The ninety-third step is to delete the results of the solutions. The ninety-fourth step is to archive the results of the solutions. The ninety-fifth step is to delete the results of the solutions. The ninety-sixth step is to archive the results of the solutions. The ninety-seventh step is to delete the results of the solutions. The ninety-eighth step is to archive the results of the solutions. The ninety-ninth step is to delete the results of the solutions. The hundredth step is to archive the results of the solutions.
